

Alton Fire & Rescue Department

Standard Operating Guidelines (SOG)

SOG 1.1.3.3 Personnel Job Descriptions – Deputy Chief

GENERAL PURPOSE

Performs a variety of technical, administrative, and supervisory work in assisting the planning, organizing, directing and implementing fire prevention, suppression and emergency medical services to prevent or minimize the loss of life and property by fire and emergency medical conditions. Performs fire and emergency medical services and is the head of training, fire prevention, inspection and suppression services.

SUPERVISION RECEIVED

Works under the General Guidance and Direction of the Fire Chief and Assistant Fire Chief.

SUPERVISION EXERCISED

Supervises all officers and firefighter/EMT positions, either directly or through other subordinate officers.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- May act as Fire Chief during absence of Fire Chief, as assigned.
- Supervises subordinate officers in their assigned duties.
- Reviews, evaluates, develops and implements programs, policies and procedures for various departmental operations including training and fire prevention.
- Directs and participates in major departmental programs.
- Responds to multiple alarm fire as needed; assumes command in the absence of Fire Chief.
- Carries out duties in conformance with Federal, State, County and Town laws and ordinances.
- Assists in the planning and implementation of Fire and EMS programs for the Town in order to better carry out the policies and goals of the Town.
- Directs the operation of departmental in-service training activities.

- Handles grievances from officers and firefighters, maintains Departmental discipline and the conduct and general behavior of personnel.
- Prepares and submits periodic reports to the Fire Chief regarding the Department's activities.
- Assigns personnel and equipment to such duties and uses as the service requires.

PERIPHERAL DUTIES

- Meets with elected or appointed officials, other Fire/EMS officials, community and business representatives and the public on all aspects of the Departments' activities.
- Attends conferences and meetings to keep abreast of current trends in the field; represents the Town Fire/EMS Departments in a variety of local, county, state and other meetings.
- Performs the duties of command personnel as needed and fulfills obligations during duty days or duty weeks.
- Serves as a member of various employee committees.

DESIRED MINIMUM QUALIFICATIONS

Education and Experience:

- (A) Graduation from high school or GED equivalent. Has specialized training in fire department administration.
- (B) Five (5) years prior work experience as a firefighter and/or firefighter/EMT, two (2) years of supervisory duties which must have been equivalent to Fire Lieutenant or higher.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to sit; talk or hear; stand; walk; use hands to finger, handle, or operate objects, tools, or controls; and reach with hands and arms. The employee is occasionally required to climb or balance; stoop, kneel, crouch, or crawl; and taste or smell.

The employee must frequently lift and/or move up to 10 pounds and occasionally lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is performed primarily in office, vehicles, and outdoor settings, in all weather conditions, including temperature extremes, during day and night shifts. Work is often performed in emergency and stressful situations. Individual is exposed to hearing alarms

and hazards associated with fighting fires and rendering emergency medical assistance, including smoke, noxious odors, fumes, chemicals, liquid chemicals, solvents and oils.

The employee occasionally works near moving mechanical parts and in high, precarious places and is occasionally exposed to wet and/or humid conditions, fumes or airborne particles, toxic or caustic chemicals, risk of electrical shock, and vibration.

The noise level in the work environment is usually quiet in office settings, and loud at an emergency scene.

SELECTION GUIDELINES

Formal application; review of education and experience; appropriate testing and interviews; oral interview; background check; physical agility; drug screening; final selection and pre-employment medical examination. NOTE: Appointees will be subject to completion of a standard probationary period.

The examples of duties are intended only as illustrations of the various types of work performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

The job description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

DATE: Approved October 20, 2008. Revised April 28, 2009
